2 (The detention hearing from 10:57 a.m. to 10:59:44, not
3 recorded)

4 THE COURT: -- note that it's considered the merits of
5 the instant motion within the context of the recommendation by
6 Pretrial Services to detain the Defendant, and that I'm also duly
7 considering the Defendant's position and submission to detention
8 at this time.

9 In light of all the factors that the Court has to
10 consider, the Court will find that the Government's motion should
11 be granted. That there is no condition or combination of
12 conditions that can reasonably assure his appearance or safeguard
13 the public if released.

14 And so, with that, you'll be remanded to the care and
15 custody of the Marshals, and you will remain detained pending
16 further order of this Court. With that, Mr. Khatib, I will ask
17 you to kindly prepare an appropriate order. No more than seven
18 days here to my order's box. Any questions?
